8 147A.002;
- 9 (3) "Establishing entity" means the city or county, or any combination of cities and  
10 counties, that established a special purpose governmental entity and that has not  
11 subsequently withdrawn its affiliation with the special purpose governmental entity  
12 by ordinance or other official action;
- 13 (4) "Federally regulated municipal utility" means a municipal utility governed by the  
14 provisions of KRS 96.550 to 96.901, that maintains a wholesale power contract  
15 with a federal agency that also serves as its regulatory authority;
- 16 (5) (a) "Fee" means any user charge, levy, assessment, fee, schedule of rates, or tax,  
17 other than an ad valorem tax, imposed by a special purpose governmental  
18 entity.
- 19 (b) "Fee" shall not include the following charges imposed by special purpose  
20 governmental entities that provide utility services:
- 21 1. Any fuel cost adjustment that is:
- 22 a. Made pursuant to an agreement with a power supplier;
- 23 b. Amended by the power supplier based on the variable cost of fuel;  
24 and
- 25 c. Passed through to the consumer by the utility pursuant to the  
26 agreement between the utility and the power supplier;
- 27 2. Any power or energy cost adjustment implemented pursuant to a duly

- 1            adopted base rate that provides for the periodic adjustment of a  
2            component of the rate, including any fuel costs or transmission costs, in  
3            accordance with the formula or conditions set forth in the base rate; or
- 4            3. Any environmental control cost adjustments or surcharges implemented  
5            pursuant to a duly adopted base rate that provides for the periodic  
6            adjustment of a component of the rate in accordance with a formula or  
7            conditions set forth in the base rate;
- 8        (6) (a) "Private entity" means any entity whose sole source of public funds is from  
9            payments pursuant to a contract with a city, county, or special purpose  
10           governmental entity, including funds received as a grant or as a result of a  
11           competitively bid procurement process.
- 12        (b) "Private entity" does not include any entity:
- 13           1. Created, wholly or in part, by a city, county, or combination of cities and

2 ➔Section 3. KRS 95A.055 is amended to read as follows:

3 (1) As used in this section, "fire department" means:

4 (a) Any fire protection district or volunteer fire department district operating  
5 under KRS Chapter 75 with the higher of annual receipts from all sources  
6 or annual expenditures of less than one hundred thousand dollars  
7 (\$100,000); or

8 (b) Any fire department incorporated under KRS Chapter 273[;

9 ~~— with the higher of annual receipts from all sources or annual expenditures of less~~  
10 ~~than one hundred thousand dollars (\$100,000)].~~

11 (2) If a fire protection district or volunteer fire department district's[fire department's]  
12 annual revenues or expenditures equals or exceeds one hundred thousand dollars  
13 (\$100,000) for two (2) consecutive fiscal years, then the fire district[department]  
14 shall, for the next reporting period and any subsequent reporting period for which it  
15 exceeds that amount, be considered a special purpose governmental entity as  
16 defined in KRS 65A.010 and shall comply with KRS Chapter 65A until its annual  
17 revenues or expenditures are less than one hundred thousand dollars (\$100,000),  
18 whereupon it may again qualify as a fire department under this section.

19 (3) Each fire department shall for each fiscal year beginning on and after July 1, 2016,  
20 annually submit to the commission the information required by this section. The  
21 information shall be submitted at the time and in the form and format required by  
22 the commission. The information submitted shall include at a minimum the  
23 following:

24 (a) Administrative information:

- 25 1. The name, address, and, if applicable, the term and appointing authority  
26 for each board member of the governing body of the fire department;  
27 2. The fiscal year of the fire department;

- 1           3.    The Kentucky Revised Statute and, if applicable, the local government  
2               ordinance under which the fire department was established; the date of  
3               establishment; the establishing entity; and the statute or statutes, local  
4               government ordinance, or interlocal agreement under which the fire  
5               department operates, if different from the statute or statutes, ordinance,  
6               or agreement under which it was established;
- 7           4.    The mailing address and telephone number and, if applicable, the Web  
8               site uniform resource locator (URL) of the fire department;
- 9           5.    The operational boundaries and service area of the fire department and  
10           the services provided by the fire department;
- 11          6.    A listing of the taxes or fees imposed and collected by the fire  
12               department, including the rates or amounts charged for the reporting  
13               period and the statutory or other source of authority for the levy of the  
14               tax or fee;
- 15          7.    The primary contact for the fire department for purposes of  
16               communication with the commission;
- 17          8.    The code of ethics that applies to the fire department, and whether the  
18               fire department has adopted additional ethics provisions;
- 19          9.    A listing of all federal, state, and local governmental entities that have  
20               oversight authority over the fire department or to which the fire  
21               department submits reports, data, or information; and
- 22          10.   Any other related administrative information required by the  
23               commission; and
- 24   (b)   Financial information including budgets and financial expenditure information  
25           that are designed to ensure that all public funds received by the fire  
26           departments are being responsibly used. The commission shall, through the  
27           promulgation of an administrative regulation, establish the specific financial

1 information that shall be filed to meet the requirements of this paragraph.

2 (4) The commission shall review the reports required by this section and, if the  
3 commission finds that a report submitted does not comply with the requirements  
4 established by this section and regulations promulgated hereunder, the commission  
5 shall notify the fire department in writing. The notification shall include a  
6 description of the specific deficiencies identified, and shall describe the process the  
7 fire department shall follow to correct the deficiencies, including the time within  
8 which a response must be provided.

9 (5) If a fire department fails to comply with this section or KRS 75.430, then the  
10 commission may withhold:

11 (a) Incentive pay to qualified firefighters under KRS 95A.250;

12 (b) Volunteer fire department aid, funds used to purchase workers' compensation  
13 insurance for fire departments, and the low-interest loans under KRS  
14 95A.262;

15 (c) Funds from the thermal vision grant program under KRS 95A.400 to  
16 95A.440; and

17 (d) Any other funds that the commission controls.

18 (6) The commission may report any irregularities relating to the finances or operations  
19 of a fire department that it identifies to the Attorney General, Auditor of Public  
20 Accounts, or any other public official with jurisdiction over fire departments for  
21 further investigation and follow-up.

22 (7) The commission may prescribe corrective actions to bring fire departments that are,  
23 as of July 15, 2016, not in compliance with KRS Chapter 65A into compliance with  
24 this section. Any sanctions imposed by the Department for Local Government prior  
25 to July 15, 2016, shall be lifted upon notification by the commission to the  
26 department that the fire department in question has complied with the corrective  
27 actions prescribed by the commission.

- 1 (8) The information reported by fire departments under this section shall be considered  
2 public records under KRS 61.872 to 61.884. The commission shall prominently  
3 post on its Web site the availability of the information required by this section and  
4 shall provide contact information and procedures for obtaining copies of the  
5 information.
- 6 (9) The fire commission shall promulgate administrative regulations under KRS  
7 Chapter 13A as soon as practicable after July 15, 2016, to implement this section  
8 and KRS 75.430.
- 9 (10) By October 1, 2016, and on or before each October 1 thereafter, the commission  
10 shall file an annual report with the Legislative Research Commission detailing the  
11 compliance of the fire departments required to report under this section with  
12 subsection (3) of this section. The Legislative Research Commission shall refer the  
13 report to the Interim Joint Committee on Local Government for review.
